

Dear Passholder,

We're excited to share our [2026/2027 Season Pass lineup](#) with you. This year, we've worked hard to simplify our pass offerings and make it easier than ever to choose the right option for you and your family.

One of the biggest changes for next season is expanded access to family discounts. Beginning with the **2026/2027 season**, Junior and Youth passes will be available at **50% off when purchased with at least one Individual Adult pass**. This means families with as few as two skiers can receive meaningful savings, helping make skiing more accessible for kids.

We've also expanded the **Youth Pass age range to 24 years old (up from 18)** so families can enjoy these savings longer—and young adults can continue skiing affordably even as they head out on their own.

We're also pleased to share that we are **reducing the price of our Individual Senior Passes**. Many of our senior passholders have been part of the RED community for decades, and this change is one small way to say thank you and help keep skiing accessible for those who have supported the mountain for so many years.

Our goal with these changes is simple: to spread the value of pass discounts more broadly across our community, rather than limiting them to specific family sizes or situations.

We're also introducing a new **flexible payment option** for season passes. In previous years, we partnered with our friends at NDCU to offer a no-interest payment plan for their members. Beginning this season, thanks to our new technology platform, **this benefit will be available to all passholders** who wish to spread their payments over time. Pass purchasers can opt to make a **25% down payment**, with the remaining balance spread across **six equal payments**.

Additionally, we are excited to announce new Passholder perks for the 2026/2027 season. New for next winter, RED Season Passholders receive one day of complimentary skiing at Revelstoke, plus a day at Sun Peaks. We are also continuing to explore other value-add opportunities.

Thank you for being part of the RED community. Your support means the world to us, and we look forward to sharing many more great days on the mountain with you and your family in the seasons ahead.

Sincerely,

**RED Mountain Resort**
